

January 16, 2015 Meeting Minutes Rev.1

By Terry Zimmerman

The meeting was called to order at 7:30pm by President Amy Heard. 10 members and guests were in attendance.

Treasury Report

Don Chrysler gave the report as the club balance as \$2,340.06. The report was accepted by the club members.

Old Business

The Club thanked Dave and Amy for hosting the Christmas Party this last year. Everyone who attended had a great time along with great food enjoyed by all.

New Business

Dave and Amy discussed the need for programs. Allen volunteered for the February 6 Meeting. Frank had committed to do a program in March.

Observing Reports

A discussion was held regarding Comet LoveJoy which was now visible naked eye and very observable with binoculars. Pierre Chase brought a set of binoculars to look at the comet from the Discovery Center Parking Lot after the meeting. It was a sight enjoyed by all. Thank you Pierre!!

Also discussed was the possibility of observing Saturday night on January 17. The weather was shaping up to be nice for observing at the roadside park south of Claude.

Program

Dave brought in Danny Zumbrun's lifetime collection of books to give away to club members and guests. There were a lot of books and some were quite nice and suitable as coffee table conversation pieces. Everyone who attended gobbled up a piece of history.

Meeting was adjourned at 8:15pm to transfer to the Pizza Planet for eats & drinks.
